

## BEHAVIORAL RESEARCH ON INMATES

STANDARD NO(S):

NYSSA # 166

DATE:

December 10, 2009

REFER TO:

Jack S. Stenberg

### I. OBJECTIVE:

To establish a policy prohibiting the use of inmates for biomedical, chemical or behavioral research.

### II. POLICY:

It is the policy of the Seneca County Sheriff's Office and Seneca County Correctional Facility to protect and safeguard inmates committed to the custody of the Seneca County Sheriff.

### III. DETAILS:

A. Inmates will not be used for the purpose of collecting data for the reporting of information relevant to the epidemiology of certain medical conditions.

1. Inmates will not be used for:

- a. biomedical research
- b. chemical research
- c. behavioral research
- d. any other collection of amassed medical data
